About Us

Unlimited income and ever-increasing wages

We provide investment conditions for percentage growth. They consist of the benchmark interest rate, the total bonus of the smart contract and the individual "hold bonus". Maximum profit: +200% per deposit

TRX-Reliability of Smart Contracts.

Scams are impossible. The smart contract technology ensures the complete safety of all participants' funds. No one can steal funds or change contract intelligence.

Global legal company with professional team

We are officially registered company. We have a trusted professional team in the blockchain market. We work 24/7 to increase the reputation of the platform and respect the talents. Join us and get your profits!

Investment

TOTAL CONTRACT BONUS: UP TO 50% EVERY 24 HOURS

The smart contract checks its current balance and adds an extra +0.3% up to your income for every additional 1,000,000 TRX in the balance.

The smart contract checks its current balance and deducts an extra -0.1% up to your income for every 1,000,000 TRX reduction in the balance.

Maximum contract bonus: +50%

Every additional 1,000,000 TRX platform balance +0.3%

Every 1,000,000 TRX platform balance is raised -0.1%

Remark: The contract bonus is up to 50% every 24 hours

At 50%: about the interest rate of 160 million TRX balance, any additional deposits will not increase the interest rate.

But when the balance is less than 160 million TRX, every 1,000,000 TRX will decrease by -0.1%
